4th Annual Corvette Show June 5

The 4th annual Corvette Show, presented by the Grayling State Bank, will be held June 5 from 10 a.m. to 3 p.m. Some of the finest Corvettes in the state of Michigan are expected to be displayed at the show, held at the main office parking lot in downtown Grayling. Free hot dogs and soft drinks will be available for persons attending the show. Also, the 50th Anniversary drawing for the Grayling State Bank will be held during the show. An Arts and Crafts Show will be held in conjunction with the Corvette Show at the main office.

Dowagiac Woman Found Dead in Car near Grayling

A 32-year-old woman, Patricia Ann Eckart, of Dowagiac, was found dead in her car Sunday along I-75 next to Grayling. Grayling City Police Karl Schreiner discovered the body in a 1980 Mustang near the Mile 254 marker on southbound I-75 within the Grayling City limits.

Schreiner said there were no signs of life in the body when he checked out the car at 7:22 p.m. Sunday. The Mustang was pulled off the side of the southbound lane.

An autopsy Monday couldn't determine the cause of death. No obvious signs of violence were present but Grayling City Police have not yet ruled out that possibility. The Grayling City Police, headed by Chief Pete Stephan, are continuing the investigation.

Stolen Car Found Stripped, Abandoned

A red Camaro stolen from Roscommon County May 27 was discovered stripped and abandoned the next day on Seven Mile Road in Beaver Creek Township. Any persons with information about this vehicle can call the Crawford County Sheriff Dept.

A 22-year-old Frederic man was arrested and charged with felonious assault in connection with an incident with a juvenile in the Frederic Township Park on May 25.

The sheriff department answered 148 complaints last week, about 50 complaints more than normal weeks because of the holiday weekend. Undersheriff Lt. Robert Ruddy said extra patrols ordered by Sheriff Joe White for the Memorial Weekend helped keep the number of traffic accidents down. There were no major automobile accidents reported in the county during the three-day weekend.

Hanson Hills to Offer Summer Program for Area Youth

Officials at Hanson Hills Park announced today that they will be conducting a Summer Recreation Program for area youth this summer beginning June 21 and continuing for six weeks. Registration forms for the program are being distributed through the local schools this week and parents are urged to register their students by Friday, June 11. Class schedules will be mailed to those students participating on June 14.

Included in the Summer Recreation Program, which will be conducted at Hanson Hills, are classes in gymnastics, Kid's Theatre, softball, orienteering, soccer, band, nature study, fly tying and fishing and volleyball. All classes are on a tuition basis and will meet for 1½ hours two days each week with the exception of Kid's Theatre which will meet 3 days.

For more information parents are invited to call the park at 348-9266 or better yet, visit their local recreation area. Park offices are open daily and most evenings.

County, City Transportation Revenues Fall Again

State income for highways, roads, streets and other transportation fell by 8.3 percent in the first quarter of 1982 compared to the same period of 1981, the Michigan Department of Transportation reported.

It was the ninth consecutive quarter in which revenues from fuel and weight taxes were down from the same quarter a year earlier.

Reduced driving during the harsher-than-usual winter as well as the continuing recession and the growth in the number of lighter-weight, more fuel-efficient autos all figured in the decline.

Revenues for Crawford County fell about \$20,000 from the same quarter last year. The county received \$200,968 compared to \$221,109 in the first quarter last year. Roscommon County revenues dropped about \$23,000 and Otsego County funds dropped about \$30,000.

The City of Grayling received a cut of about \$1,500. Gaylord revenues dropped about \$2,000 and Roscommon about \$700.

KCC to Offer Summer Music Classes

Kirtland Community College will be offering the following music classes this summer: Piano I (beginning keyboard instruction) and Jazz History and Appreciation. The Jazz History class will be a survey of America's only original art form.

Both classes will be held on Tuesday and Thursday, with the Piano class running from 9:00 a.m. until noon, and the Jazz class from 1:00 p.m. to 4:00 p.m.

Registration is June 9, 10 and 11

GHS Wrestlers Honored at Banquet

The Grayling High School wrestling team, which captured third place in the state class C tournament, topped their successful year with an awards banquet held at the Grayling Holiday Inn.

Seventeen wrestlers received awards and letters for participation during the 1981-82 year. They were Tim Moore, Chris Krajcenka, Dan Meldrum, Steve Sauve, Tim Jensen, Tim Ferrigan, Dave Pettit, Jim Piper, John Solomonson, Jeff Knight, Wayne Metzger, Shawn Lindsay, Tom Sorenson, Ron Wyman, Brian Yoder, Jim Harwood, and Mitch Linendoll.

Tim Jensen and Tim Ferrigan received scholarships after their outstanding senior years. Jensen received a scholarship from Northern Michigan University and Ferrigan received a scholarship from Muskegon Jr. College.

Ferrigan was also named All-State this year along with John Solomonson and Jeff Knight.

Jensen won the GHS wrestling team award of giving 110 percent. Ferrigan won the Most Valuable Wrestler award and Knight won the Most Improved trophy. Dave Pettit won the Team wrestler award, Steve Sauve won the Sparkplug award, John Solomonson won Most Dependable wrestler, Jim Piper won the "Happy" award, and Dan Meldrum won the scholar award.

City Reduces Levy 1¼ Mills

By Jon Thompson

The City of Grayling chopped another large chunk off their millage levy - reducing it 1.25 mills from last year's rate.

The Grayling City Council approved the reduction May 24 when it passed its 1982-83 budget. Since 1972 the city has lowered its levy six times - dropping the rate from 23.34 to 13.25 mills.

City Manager Jerry Morford said new industrial and residential growth in the city has allowed the city to keep cutting the millage. Recent growth includes A & R Forest Products

and Cobble Creek Apartments. Morford said investment of city money also has been a significant factor in reducing the millage.

Despite reducing the millage, the city plans on a street improvement program this summer totaling about \$300,000. Morford said a good part of the project will be on streets south of the river. Last year the city spent approximately \$300,000 on street improvement largely in the area between Michigan Avenue and the AuSable River.

The city will fund the street improvement with about \$150,000 from income tax and \$50,000 of its federal sharing funds. About \$100,000

will come from a HUD community development block grant.

Morford said the number of blocks in this year's improvement program is uncertain yet because of the different prices needed to improve different blocks. He said some blocks need more storm drainage work or need to be wider because of heavier traffic. He said the city is trying to improve streets in a complete area because the city gets more for its money from the contractor. If the contractor has to move around a lot to various streets, it costs more for the improvements.

Salling Lake Property Owners Ask for Legal Water Levels

By Jon Thompson

Twenty-nine property owners around Salling Lake have signed a petition asking the Crawford County Board of Commissioners to set legal water levels for the lake.

Grayling Township Supervisor Bernie Fowler gave the petition to the commissioners last Thursday on behalf of the 29 property owners, who together own more than 50 percent of the land surrounding the lake.

Salling Lake—actually the backwaters of the AuSable River behind the Salling Dam—is located about a mile and a half northwest of Grayling.

The petition to establish legal water levels is the first step in a process to pay for repairs for Salling Dam. A 1980 U.S. Corps of Engineers study indicated the dam was in need of several repairs. Once legal levels have been established, a special assess-

ment district can be formed to pay for repairs and maintenance to the dam.

The county commissioners accepted the petition and voted to have the county's attorney look into questions about responsibility for the dam once legal levels have been set.

The county already has set legal levels for Lake Margrethe and is responsible for maintaining the water level there. The county also is jointly responsible with Otsego County for water levels at Bradford Lake.

The cost of repairing the Salling Dam has been estimated at \$25,000 by a private engineering firm in Traverse City. That total includes an estimated \$16,000 worth of studies and only \$3,400 in actual repairs to the dam. The dam is currently owned by two private property owners.

If a special assessment district is drawn, it could include about 65 property owners from the dam to Pollack Bridge upstream. The Drain Commission will draw the actual district after hydrological studies are completed.

If 65 property owners were included in the special assessment district, the cost for each owner to repair and maintain the dam would be about \$38.50 a year for ten years.

Several commissioners said they felt the water levels should be maintained. If the dam was removed and the lake reduced to a stream channel, many homes now along the water's edge would be a long way from the new river banks. Additionally, trees could grow between the homes and new waterfront or the silt and mud from the drained water area could be an eyesore for years.

Huge Pike Taken at Jones Lake

A 43-inch monster pike was pulled out of Jones Lake May 25 by Tim Depelsmaecker, of LaSalle. Tim nailed the large fish using a live minnow.

It took two nets to haul the trophy-sized fish out of the water after a 45-minute fight. The pike was caught in the deep end of Jones Lake, located off County Road 612 in the north part of the county.

Tim had the fish weighed at two local stores, both recording the fish at 19½ pounds. If the pike would have weighed ¼ pound more, Tim could have earned a certificate from the state for catching a 20-pounder.

Area fishermen catching the big ones can bring their fish to the Avalanche for pictures to be published in the newspaper.

Foundation Fundraising Drive at KCC

Phase I of the Kirtland Community College Foundation Fundraising Drive for the Associate Degree in Nursing program is nearing the halfway point. The campaign to raise \$200,000 is necessary in part because of the influx of retired people moving into the area.

"We are all aware that we can no longer depend on the Federal Government to subsidize programs; therefore, it is necessary that we assume responsibility for our own needs and work together to insure that the Health Providers in our area can deliver adequate care to all patients," said Mary Alguire, Executive Director of the Foundation.

All monies collected go directly to the Associate Degree Program, since the Foundation is operated solely by volunteers.

Beaver Creek Fire Dept. Election Postponed

By Jon Thompson

A vote to start a fire department in Beaver Creek Township has been postponed from a proposed June 7 election date. The Crawford County Election Commission turned down the township's last-minute request for a June 7 election because it is too close to the annual June 14 school election.

The vote to start a township fire department will now probably take place on the August 10 primary election. The township held a public meeting Tuesday night, June 1, to discuss a date for the election.

The question put to township voters on the election day will be on creating a special tax assessment district for the fire department. If the voters approve creating the special assessment district, then the township will set a millage rate for funds to buy equipment, construct a building, and operate the department for one year. For the next year, a special fire department meeting will be held after

the annual township meeting to discuss funds and decide on operation millage.

Charles Gordon, chairman of a special Beaver Creek Township fire dept. committee, said a tentative millage rate for the first year costs of buying equipment, constructing a building, and operating the dept. is around 1.3 mills. That would generate approximately \$173,000 for the fire department to build a three-bay building, buy a pumper and tanker truck, and train about 20 volunteers among other costs.

Gordon said a tentative site for the department has been selected if voters say go ahead with the department. He said a piece of state land near the intersection of M-76 and Seven Mile Road would be the best place to serve the entire township. It borders on a black-top road and is in the middle of a network of roads to reach all parts of the township.

The site also is between Four Mile Road and County Road 203 - two of only three roads that cross I-75 and

U.S.-27. Only three roads in the township cross the two expressways so Gordon said it's important to have access across.

The site is in the eastern middle of the township, close to populated areas. The western part of the township is about 90 percent state and federal land. The new \$60 million Weyerhaeuser plant is about three miles from the tentative fire hall site.

Gordon said interest in becoming a volunteer in the department has grown. Lee Riley, in charge of collecting volunteer applications has had 25 persons sign up as being interested in volunteering.

Seven other persons have been working with Gordon and Riley on the committee to study start-up plans for a fire dept. Art Rosenau, Paul Hill, Gary Parkinson, Andie Neilson, Carolyn Helsel, and JoEllen Bonnington serve on the committee and Ed Holtcamp, a Michigan State Police consultant from Elk Lake, has provided information about starting a fire department.

Ostling Seeks Re-Election In Redrawn 103rd District

Ten year House veteran Ralph A. Ostling of Roscommon announced his re-election plans Tuesday, saying he will seek to retain the 103rd District seat that has been changed by recent reapportionment of the state.

Ostling said the new 103rd District ranges to the east and north of the present one. It adds Oscoda, Otsego and all of Roscommon counties and retains Charlevoix, Crawford and Antrim counties. Kalkaska, Missaukee, Osceola and Clare counties will become parts of other House districts, as will Isabella and Grand Traverse counties.

Ostling, whose specialized area is welfare reform, has sponsored two bills that con-

tinue to save the state millions of dollars a year.

His legislation cuts off General Assistance benefits to recipients who refuse to participate in work-relief, education or job training programs and has saved the state \$13 million a year. A second bill, that saves from \$15 to \$20 million a year, eliminates the property tax credit for welfare recipients who pay property taxes or rent with welfare funds, thus prohibiting them from receiving credit through the state's "circuit-breaker" formula on state income tax forms.

Ostling said that the next two years will be crucial ones for Michigan. "We have to find ways to put people to

work in Michigan," he said, "which will do more than anything else in decreasing the welfare rolls."

"We must continue to find ways to reduce the size of state government and work on cost containment measures."

Ostling makes his home in Roscommon with his wife, Thela. They have one son, Kurt, who resides in Ohio with his wife and infant daughter. He served in the United States Navy during World War II and has both B.S. and M.A. degrees from Central Michigan University. He taught school at the high school level and served 17 years as a township clerk before running for the House of Representatives in 1972.

HEADED FOR STATE—The Grayling High School mile relay team of Diane Lee, Jean Stevens, Gina Medley, and Beth Jones, left to right, qualified for the state track finals this Saturday by taking first at regionals held in Traverse City. In their first-place effort in the regionals, the girls put together a great time of 4:10.06 destroying the old GHS record by more than seven seconds. Diane Lee also qualified for the state in the 220-yard low hurdles and 110-low hurdles, taking first and second. The triple-threat track star also won the half-mile race. Behind Lee in the half-mile was Beth Jones, taking second at regionals qualifying for a spot in the finals.

From Our Corner ...

This weekend is just what the ol' fella needed...two Sundays and just one day to put the finishing touches on this week's issue...we get all mixed up until we think about the fact that there is but Tuesday to get the paper out...that really shakes us up...we had a hard enough time with two days before deadline...all we can hope for is that our readers don't find too many gremlins in this week's Avalanche...

We almost forgot our weekly weather report...the past week has been ideal...sunny, overcast skies and a couple of days of good rain showers, and the weather remained warm...to us this is ideal northern Michigan weather...the rain we received helped to lower the fire danger some but, did not erase it all together...Crawford County's soil does not hold the moisture like other places, just too much ordinary sand without any clay base...

Memorial Day started out with overcast skies and a temperature of 60 degrees, with the sun breaking through during the parade and ceremonies put on by the Grayling American Legion Post 107...all and all the Memorial Day weekend was a perfect one...

An idle thought...now that Memorial Day has passed, it won't be long until we celebrate the 4th of July...then Labor Day and our summer is gone...what a horrible thought...we're entering our three months of summer, and hopefully they will be summer months...if not, our economic situation in Crawford County is going to be really shot down...we all need a good summer to offset last winter's doldrums of storms nearly every weekend...

A more cheerful thought...mainstreet looks real nice with the different state's flags resting on the street light poles, they are real colorful...the flags were purchased last year by the downtown merchants association...through the efforts of Ernie Dawson and Bob Cole, along with help by many this idea of the flags makes Michigan Avenue look some what different...we haven't seen it yet but understand that flowers have been planted in a large plot of ground out in front of city hall, with help from City Manager Jerry Morford...if there are others who should be included in the list of helpers, let us know and we will give recognition to them.

The trials and tribulations of R.J. over Memorial Day weekend...now everyone knows R.J., he is that good looking young bachelor around town and spends his time between teaching at the high school and selling real estate for Real Estate One downtown...seems as how our friend had planned on spending part of the weekend in Grand Rapids, and part on the lake with his pontoon...this is hard to believe, but it is the gospel...Saturday morning R.J. went out and started his van and went inside for his luggage, on his return to the van it had stopped running...on trying to start it, the old van decided against it...that shot down his trip to Grand Rapids...don't leave us yet, there is more to his weekend...R.J. has a pontoon boat out at Lake Margrethe (who wouldn't have one with a home on the lake)...seems as how he was having troubles with steering it, so he took it to the pontoon doctor and they put a new cable on it...R.J.'s problem was that it was too short and he told us it would take the whole lake to turn it back to shore once he left port...our heart went out to our friend, and we told him to keep the faith, it won't be long and then all you will have to do is sell real estate, and some nice Sunday afternoon invite Thelma and I for an afternoon on the pontoon boat, that is if you get it fixed...

This is about it for this week's corner...good-night T.J., Stef and Amber...for those interested we had a phone call from Dane Saturday and he reports everything is fine with our Nevada family...to all our readers have a nice weekend...

The Bible Speaks

From Calvary Baptist Church

What Good Is God's Law Romans 7:7-14

As the doctrine of Sanctification unfolds, we were reminded in Romans chapter 6 that we are dead to sin. We were reminded in Romans 7:1-6 that we are also dead to God's law. Now in Romans 7:7-14, God tells us the purpose of His law in contrast to our sanctification.

First, God's law does not make us holy, but rather, shows us our sin and lust. "What shall we say then? Is the law sin? God forbid. Nay, I had not known sin, but by the law: for I had not known lust, except the law had said, 'Thou shalt not covet.'" Romans 7:7.

Second, God's law does not make us holy, but rather, slurs up the sin nature within us. "But sin, taking occasion by the commandment, wrought in me all manner of concupiscence. For without the law sin was dead." Romans 7:8.

Third, our sin nature uses God's law to deceive us and destroy us. "For I was alive without the law once: but when the commandment came, sin revived, and I died. And the commandment, which was ordained to life, I found to be unto death. For sin, taking occasion by the commandment, deceived me, and by it slew me." Romans 7:9-11.

Fourth, The reason God's law cannot sanctify us is not the fault of God's law. "Wherefore the law is holy, and the commandment,

holy, and just, and good." Romans 7:12.

Fifth, the spiritual law of God cannot control the carnal nature of the believer or Christian. "Was then that which is good made death unto me? God forbid. But sin, that it might appear sin, working death in me by that which is good: that sin by the commandment might become exceeding sinful. For we know that the law is spiritual: but I am carnal, sold under sin." Romans 7:13, 14.

This Bible teaching of God's law in our sanctification stands in stark contrast to the normal practice of most churches. Most Christians believe sanctification is evidenced by obedience to a list of do's and don'ts, many of which are not even found in the Bible. When I was a boy, you could tell a "holiness" woman by her long hair worn in a bun on top of her head, no powder or make-up on her face, no jewelry, long skirts and dark stockings to hide her legs, long sleeves to cover her arms and a long list of do's and don'ts to occupy their time.

Laws and legalism do not produce sanctification. A sanctified person is dead to both sin and laws in his growth and development in holiness. (adv.)

The Brown Drakes

Within the week, the Brown Drakes will begin hatching on area streams. The South Branch often provides opening round excitement with its pristine setting and miles of "fly only" waters.
The advent of the Brown Drake afford many fishermen that first opportunity to catch big trout. At the Old AuSable, we've been working long hours in preparation of the Drake hatches. We invite you to stop in & observe our excellent selection first hand. With a staff of three fulltime fly tying fishermen — we've got what it takes to help you catch that big trout.

Canoeing Michigan Exciting Recreation

Any canoe worth his paddle will tell you that there is only one thing that he considers to be totally vital to the pursuit of his sport...water. Michigan has lots of it. In fact, with more than 11,000 inland lakes, and thousands of miles of waterways, it's not difficult to understand why canoeing is an exciting recreational activity, that attracts residents and non-residents alike. Most of Michigan's rivers are fairly placid and extremely scenic, so it is an excellent pastime for first-timers and even families to get acquainted with in the course of a weekend. And there are areas of honest-to-goodness "white water" in Michigan for the more skilled canoeers and kayakers.

You don't even need your own canoe. Michigan's numerous canoe liveries service every canoeable waterway in the state and most of them will arrange for "put in and pick up." At least one livery, Michigan Canoe Outfitters in Cadillac,

even offers, for a fee, to pitch your tent, cook your meals, instruct beginners, transport you to and from your car, and clean up after you.

In the Upper Peninsula, Northland Outfitters of Germfask offers trout fishing trips on the Manistique and Fox Rivers, excursions through the Seney National Wildlife Preserve, and canoe expeditions to Isle Royale National Park.

Michigan's most famous river, the AuSable, which flows gently past cedar-lined banks from Grayling to Oscoda, is a perfect place to start. Both of its branches are served by several canoe liveries that offer trips ranging from a few hours to two weeks.

The famous AuSable River Canoe Marathon - 240 twisting, non-stop miles from Grayling to Oscoda - is one of the most grueling sporting events ever conceived. Although some folks once doubted that such a race could ever succeed, July 23-24, will mark the 35th "paddling" of the event, attracting the best in the world.

Expert recreational canoeists may want to try the Ocqueoc and Sturgeon Rivers at the tip of the Lower Peninsula, or the famous Two-Hearted River in Upper Michigan. Tomahawk Trails Canoe Livery will send you down the Sturgeon or the easier Pigeon River into Mullet Lake.

It is always wise to know what you're getting into...especially if it's a river. The 1982 Canoe Livery Directory, published by the Recreational Canoeing Association (RCA), lists RCA member liveries and descriptions of the rivers they service. Copies may be obtained by writing either the Michigan Travel Bureau, P.O. Box 30226, Lansing, Michigan 48909, or RCA, 408 Plum Street, Grayling, Michigan 49738.

Notice of Mortgage Sale

Default having been made in the terms and conditions of a certain mortgage made by Conrad O. Baron and Sharon E. Baron, his wife of Rt. 2 Box 489, Grayling, Michigan 49738, Mortgages, to the Grayling State Bank, a Michigan Corporation of Grayling, Michigan 49738, Mortgage dated December 30, 1975 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan on the 2nd of January 1976, and in Liber of 149 of Crawford County Register on Page 620, on which mortgage there is claimed to be due, at the date of this action for principal, interest, and real estate taxes paid by mortgagee, the sum of Fifteen thousand-Nine hundred sixty two dollars and 67/100 (\$15,962.67).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided notice is hereby given that on the 28th day of July 1982 at 10:00 o'clock A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at 9 1/4% per cent, per annum and all legal costs, charges and expenses, including the Attorney Fees allowed by law and also any sum or sums including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan, County of Crawford in the Township of Grayling, to wit: The East 1/2 of the East 1/2 of the East 1/2 of the Northwest 1/4 of the Northeast 1/4 of Section 18, Town 26 North, Range 2 West, Grayling Township, Crawford County, Michigan, SUBJECT TO easements, restrictions, reservations and rights of way of record. The redemption period shall be six months from the date of such sale.

Obituaries

Tuesday Services For Carrol (Bud) Gould

Carrol F. (Bud) Gould passed away suddenly at his home in Crawford County May 25, 1982. He was the son of the late Nathan F. Gould and Flossie C. Wood. He was born August 13, 1921 in Rockford, Mich. and lived in Cedar Springs many years, living in the Grayling area for the past 32 years.

A T/Sgt. in the army during WWII serving in the Asiatic and Pacific theaters, he was awarded the purple heart along with many other medals. He was a charter member of the Booster Club of Grayling.

He owned a dry cleaning establishment and later worked for Bear Archery of Grayling. He married Marjorie L. Parks in Grayling Sept. 18, 1976.

Besides his wife, he is survived by Dr. Wm. Gould and Richard Gould, two daughters, Sally Evans and Connie Gaylor and two sisters, Dorothy Beal and Anne Van Male. He also leaves two step-children Larry Parks and Mary Rathbun and five grandchildren.

Funeral services were held 10:30 a.m., Tuesday, June 1, 1982 at Sorenson Funeral Home with The Reverend William Fraser officiating. Burial was in Oakwood Cemetery, Frederic.

David P. Avis, 76 Succumbs May 28

David P. Avis, 76, died Friday, May 28, 1982 at Jackson, Michigan. Funeral services were held Tuesday, June 1, 1982 at 1:00 p.m. at Free Methodist Church, with The Reverend Larry Evey. The Reverend Otis Smith and The Reverend Dean Parrott officiating. Burial was in Maple Grove Cemetery, Elk Rapids, Michigan.

Mr. Avis, a resident for eleven years moving here from Adrian, was born March 30, 1906 in Okemos, Michigan. He retired from Ford Motor Company where he had been employed as an electrician. He was a member of Free Methodist Church for seven years in Grayling, and several years in Adrian and had received The Silver Beaver Award for 35 years in scouting.

Survivors include his wife, Margaret; three daughters, Mildred Davenport of Spring Arbor, Margaret (Sue) Hartung of Lewiston, and Faith Carol Fryman of Ohio; three sons, Richard of Texas, George J. of Washington, and John of Northport; sister, Ila Barnes of East Jordan; 25 grandchildren and 27 great grandchildren. He was preceded in death by his parents, George and Alma (Palmer) Avis and brother, Arthur.

Celebrate 25th Anniversary

Robert and Dorothy DeVos of Lovells, were guests of honor at a 25th Wedding Anniversary party hosted by their children. The celebration was held at the Lovells Township Hall on May 1, 1982 and was attended by family and friends traveling from Richmond, New Baltimore and Mt. Clemens.

Mr. and Mrs. DeVos were married on May 4, 1957 in Indiana and have three children, Robert DeVos, Jr. of Lewiston, Bethany Money of Grayling, and Barton DeVos of Mt. Clemens.

Robert DeVos is a retired Police Officer from the Macomb County Sheriff's Dept. and a 1951 graduate of New Haven High School. Dorothy (Dunsmore) DeVos is a 1956 graduate of Memphis High School. Mr. and Mrs. DeVos relocated to the Lovells area in 1974.

Kenneth Baker Dies in Florida

Word has been received of the death of Kenneth Baker, formerly of Grayling and Roscommon, in Hudson, Florida, on May 31, 1982. He is survived by his wife, Francis, and two sons, David and Gregory. A son, Rene Bruce, preceded him in death. Also surviving are a sister, Marge Case of Hudson, Florida and a brother, Mervin Baker of Pontiac.

Mr. Baker was born April 30, 1928 in Canada.

Services will be held on Thursday morning in Hudson, Florida.

Choosing An IRA To Fit Your Needs

The law does not permit you to invest Individual Retirement Account money in collectibles like metals, antiques, or art. But there are numerous other ways to invest your IRA funds to provide money for your retirement while deducting your contributions on your federal income tax return.

—U.S. individual retirement bonds - These are basically risk free. They guarantee the rate of return.

—Certificates of deposit - These are available from banks, savings and loans and credit unions and are insured.

—Mutual funds - These combine the IRA's tax breaks with the popularity of money funds.

—Flexible annuities - Insurance companies offer these.

—Self-directed plans - These are most flexible and offer opportunities for speculation.

—Company plans - Some employers make these available.

Negotiations Break Down Over State Employees Bargaining

Warren M. Hoyt, Executive Director, MPA

The head of the Office of State Employer and an official of the Michigan State Employees Association announced that, barring an injunction by the circuit court, bargaining for contract concessions has collapsed.

Stanley Kravit said the Michigan State Employees Association's (MSEA) council action, to break off negotiations unless the state withdraws its decision to cut back work hours of union members, means it is now clear negotiations have failed.

Laurie Kipp, representative of the state's largest employee union, said unless the state undergoes a miraculous change and rescinds the reduction order, there will be no further negotiations.

Both people said negotiations could resume, however, if Ingham County Circuit Court Judge James Kallman enjoins the state from imposing the work reductions.

Kravit, however, said if the state is enjoined from hourly reductions it will be forced to lay off workers.

Both also condemned the actions of the other. Kravit called MSEA irresponsible and Kipp said the state had tried to circumvent collective bargaining.

The MSEA board voted to stop any negotiations unless the hourly reductions, announced in late April and affecting some 16,000 MSEA members whose units have contracts with the state, are rescinded.

The board overwhelmingly voted down a proposal to ask the membership for authority to call a strike.

Strikes by state employees are prohibited by the state constitution.

Kipp said the action reflected a

general frustration by the union members. "People are tired of being threatened by management. There have been efforts on their part to circumvent the bargaining process. I think the members have had enough," she said.

"Our stand is we don't negotiate with anyone who's burning your house down," she added.

Kravit said the union had consistently denied there is any fiscal crisis and attempted to circumvent any effort to make state employees join in solving Michigan's budgetary problems.

He also said the MSEA board's action was incredulous, because the Human Services Unit - representing some 10,000 workers - had walked out of negotiations several weeks before reductions had been ordered.

"A responsible union would be trying to protect its members. MSEA has been highly irresponsible," Kravit said.

Meanwhile, the second largest state employee union - the American Federation of State, County and Municipal Employees - ratified its contract concessions, which Governor William G. Milliken said would save some \$10 million over the two-year agreement.

Milliken also praised the union workers for "their willingness to join in the sacrifices being asked of all to help resolve Michigan's current fiscal crisis."

The agreement, which calls for a rollback of a 5 percent pay increase for the 1982-83 fiscal year in return for protection against layoffs for the more than 7,000 AFSCME members, must now be approved by the State Civil Service Commission.

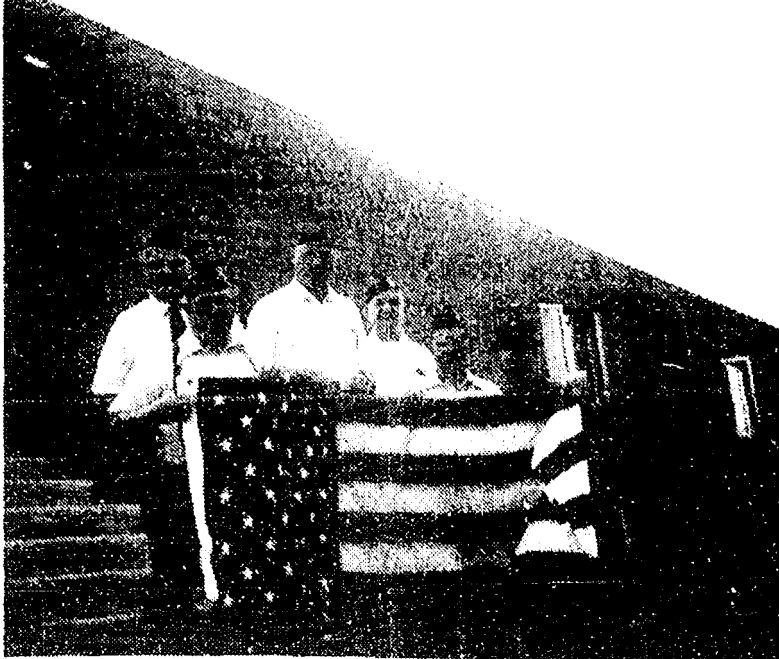

High School Blood Bank a Success

You had a most outstanding Blood Bank - 116 Donors came to give a pint of their precious blood - and 31 were new, first time Donors!

That puts Crawford County at 144% of Goal for the fiscal year 1982, ending June 30th this year, for Blood Collection compared to 139% for fiscal year 1981.

We thank you, Gina Bidwell, and all your fellow Student Red Cross Volunteers for this excellent accomplishment.

And we thank Dan & Maggie's gasoline station for their generously supplying ice, gratis, for the Blood Bank.

PRESENTS FLAG—Disabled American Veterans, Chapter Mid-State 135, presented an United States flag to the new Camp Grayling Armory at a ceremony at Camp Grayling. The flag, flown over the nation's capitol, was presented to the D.A.V. by Congressman Bob Traxler.

Broker Honored at Rally

Carol Thompson, broker and co-owner of Century 21 River Country Real Estate, Grayling was presented the prestigious Achievement in Management (AIM) award thru Century 21 International Headquarters on Thursday, April 22, 1982. Mrs. Thompson received the award at a Century 21 rally attended by over 1,000 Century 21 personnel in Lansing.

The AIM award is granted to a select group of outstanding brokers/owners who have met certain standards over a one-year period. These standards include increased production, on an individual salesperson and office basis, upgrading of office and facilities and increased personal and professional growth.

Century 21 is the largest real estate organization in the world, with more than 7,500 affiliated offices and more than 75,000 salespeople across the North American continent.

Century 21 River Country has been serving Crawford County since September, 1979, and is co-owned by Gordon Thompson.

Grayling Elementary School News

Today we went to the Bovee's greenhouse and we saw a whole bunch of kinds of plants. One plant that I liked the best is called a sensitive plant. That is just a nice name, it's real name is a mimosa. Every time you touch it, it will curl up. There is another kind of plant called an aloe. If you get burned or stung by a bee you can rub that on them and it will heal. It especially works on burns. He has lemon trees and a lot of other things. Written by Brigid Jones, 5th grade.

RSVP Reports

Sherry Haag, Director
Welcome to news of the Retired Senior Volunteer Program. May is Older American Month, a good time to examine how many elderly men and women have created a new image for the senior years, an image of vitality and fulfillment visible in the growing ranks of volunteers.

"Volunteers, especially older volunteers, are absolutely essential for the continued success of most community institutions and services," said Thomas W. Pauken, Director of ACTION, the national volunteer agency. "With today's increased emphasis on volunteerism, we salute the thousands of older Americans around the country who are enriching their communities and their own lives as volunteers in ACTION programs."

There are some 325,000 of these ACTION volunteers, 60 years of age or older, serving as volunteers in communities across the United States. The benefits are hard to measure, but easy to see, not only to the people served, but to the volunteers themselves. They know how much they are needed and that they have not been consigned to a rocking chair.

Don't forget to stop by the post office and look at the commemorative stamp issued celebrating May as Older American Month. The theme, "Aging Together," is depicted on the stamps and they are really quite attractive. RSVP office will be using them for all our first class mailing needs.

Senior volunteers are a very important resource for this area's non-profit agencies and organizations. If you are a non-profit group and need services and have been unable to find volunteers, give us a call and we'll see if we can help. Office hours are 8-5, Monday thru Friday. Phone: 348-4341 or 348-8322.

Presently, volunteers are needed to help at the Chamber of Commerce office on Saturday. Duties are answering phones and greeting visitors. This is a 1-4 time period with just one, or if you prefer more, Saturdays per summer season.

If you like small children, we have requests for volunteers at the Day Care Center. You choose your hours.

If you'd be interested in substituting at Hartwick Pines or the Historical Society Museum, give us a call at 348-4341 or 348-8322.

As May and our grant year comes to a close and summer starts to unfold, the RSVP staff wants to thank all the volunteers for their participation and help in making the 81-82 year the best in the programs 9 years in existence. We have received word that our grant will be continued for 82-83 and with your help, hope to make the next year even better.

Thanks again, volunteers, for all your service time and for all your caring time.

Country Look, Crayon Colors Dominate Home Decors in 80's

A sophisticated country look accented by the new sherbet pastels and dramatic primary colors is the big news in home decorating this year, according to Bobbe Morley of Decorating Den, Higgins Lake.

"First Lady Nancy Reagan has influenced the move to a more sophisticated look in our homes," reports Bobbe, who recently returned from the national Decorating Den Systems, Inc. convention in Indianapolis.

"In addition, the popularity of country music and the easy-going lifestyle that goes with it has brought a softer feel to even the most contemporary setting," she said.

The new elegance is being reflected in the use of such fabrics as moires, jacquards, satins and velvets. The fabric textures are more disciplined than in recent years and are being woven into verticals, shirt stripes and houndstooth patterns.

The brown look of the seventies is out, Bobbe said. "The same pastels that are popular in apparel are being used in the home, along with bright crayon colors," she said.

Those colors include Nancy Reagan Red, mauve, pink, Bottle Green and Deep Haven Green, often paired with the neutral off white shades such as Vanilla White and Creme White. Avocado Green, which has been out for some fifteen years, is beginning to come back again in the form of related colors, such as greyish green and khaki, Bobbe noted.

However, she adds that we should not expect to see a true avocado color for at least three years.

The new colors are used in floral prints and geometrics that are being paired to create the country look, even in the most contemporary urban setting. Designers are using these companion prints to coordinate walls with upholstery, tablecloths, pillows and draperies, or to create continuity between hallways and rooms.

In furnishings, Bobbe continued, the light, washed woods are back. Also, rural French and some rural English styling are becoming popular in both city and country homes.

Bits O'Talk

By Fay Bovee

Cindi J. Graham of Petoskey graduated with honors on May 21 from North Central Michigan College. She received an associate degree in nursing. Her parents are Arthur and Merle Carlson of Grayling. Attending the pinning ceremony for the nursing class of 1982 held at the United Methodist Church on Thursday, May 20, were her parents, her brother, Richard, aunts, Burnis Meech and Amber Meech, and cousin Corlynn Meech, all of Grayling, Mrs. Bruce Graham of Traverse City, sisters, Christine Olson and family of Mattawan, and Rod and Julie Powers of Mears. All of them, with the exception of the Powers, were in attendance at graduation on Friday. Christine and her family spent Thursday and Friday in Petoskey and the weekend in Grayling. Cindi and her husband, Robert Graham left for a 3-week European trip to Germany, Austria, France, Switzerland and the Netherlands.

Evelyn Thieme Schmidt, former Grayling Home Economics teacher during the years 1930-34, will be in town June 6 & 7. Any former students wishing to visit with her can call her niece at 8-2221.

Guests of Mrs. Irene LaRush for a couple of days recently were Fritz and Helen Balow of Hamtramck.

Lee and Mary Gardiner Langolf have moved from Mt. Pleasant to Irvine, California. He was transferred there in March by his company.

Margaret and Leona Gardiner of Lansing spent the Memorial weekend with their brother and family, the Vernon Gardiners.

Mr. and Mrs. Jerome Kessler returned home in May after spending six months at their home in Lakeland, Florida. Roger and Phyllis Kessler spent the weekend of May 22 with his father.

Girl Scout Daisy Day

An all-day event for 95 girls was held at Yellowstone Park May 15. The day was filled with hikes, games, miniature golf, craft-making, volleyball, two-legged races, and the annual Girl Scout Fly-Up ceremony.

The Fly-Up ceremony is held for 3rd grade Brownies moving up to Junior Girl Scouts and 6th grade Juniors moving up to Cadette Girl Scouts.

All the girls received patches and badges that they earned throughout the year.

About 60 of the girls camped overnight at the park following the all-day activities. They enjoyed a hayride, campfire cooking, and singing around the campfire.

The girls appreciate the kindness of Yellowstone Park for letting them use their facilities.

GIRL SCOUT PROMISE—The Junior Girl Scouts say their promise to their junior leaders after going through the Fly-Up ceremony. More than 90 girls participated in the fun Saturday, May 15.

Softball Correction

An inaccurate rumor has been started regarding the purchase of softballs by the Men's Softball League. This statement and accurate account of that transaction should serve to set the record straight.

Bids were accepted by the Men's Softball League for an ASA approved, leather covered softball. Twenty dozen were requested. Two local sport shops submitted bids. A sample ball was available from each sport shop and were examined by all teams in attendance. The bids were \$72.00 apart and the league voted to accept the lowest bid from the Old AuSable Sport Shop.

Upon receiving the softballs, freight and sales tax were added to the selling price. There wasn't any indication at the softball meeting that the bids included or excluded freight and sales taxes. Either way, the Old AuSable bid was lower.

With the Pace softball in use the past three weeks, there is a great deal of dissatisfaction with the softball. The ball appears to be getting "soft" after two or three innings of play. The manufacturer, Pace Electronics, of New York, has been contacted and some type of adjustment is in process with the manufacturer.

National Science Award Winner

The United States Achievement Academy announced that Joseph Brigham has been named a 1982 United States National Award winner in Science.

This award is a prestigious honor very few students can ever hope to attain. Joseph Brigham, who attends Roscommon High School was nominated for this National award by Earl Haight, a science teacher at the school. He will appear in the United States Achievement Academy Official Yearbook, published nationally.

Joseph is the son of Bryon and Linda Brigham and grandson of Mrs. Robert Schuman all of Roscommon and Mr. and Mrs. Paul Brigham of Lansing.

City Council Proceedings

Regular meeting of the City Council held May 24, 1982.
The meeting was called to order by Mayor Thompson at 7:30 p.m.

Members Present: Latuszek, Thompson, Sloan, Golinick, Sabin.

Members Absent: None.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Patricia Schreiner, Allan & Goldie Livrance, Dawn Gabriel, Don Geiss, WQON, Beth Parkinson, Thane Doremire, Scott Brooks, Robin Kapets, Don Sorenson.

Motion by Golinick, supported by Sloan that the minutes of the meeting of May 3, 1982 be approved as amended to show under Item VI (b) that Fire Chief Doremire is to accompany City Manager Morford and Township Supervisor Fowler in discussions with Beaver Creek Township regarding fire protection.

Also to show under Item IX (c) that the request for a new City Ordinance was by several bar owners in the City and was to prohibit persons under 21 years of age from being present in a licensed liquor establishment after 9:00 p.m.

Ayes: 5, Nays: 0, Absent: 0, motion carried.

There were no Citizens who wished to speak.

Communications were received and noted.

From City Treasurer re: April Finance Report.

From M.M.L. re: Legislative Report 5-14-82 and 5-21-82.

From Grayling Housing Commission re: Meeting Minutes.

Councilmen Sabin and Golinick asked Councilwoman Latuszek several questions about the Minutes and discussion of Audit proposals. The general consensus was that the Housing Commission should consider more than one audit proposal and that it would possibly be advantageous if the city auditor were also used for Housing Commission Audits.

From Chamber of Commerce re: Military Receptions.

From M.M.L. re: Annual Conference September 16-18 at Mackinac Island. Mayor Pro-tem Golinick indicated that he would attend.

From Beautification Committee re: Meeting Minutes.

From Milltown Tool & Engineering re: P.A. 198. Mr. Thompson stated that he would like to consider creating an Economic Development District for Lot 14 of the Industrial Park. Mr. Sabin expressed reservations about establishing this type of tax abatement district when nothing can be done to help existing industries and/or businesses in this manner. Mr. Morford explained the steps involved in granting an Act 198 Tax Abatement. Ms. Latuszek asked for information relative to taxes involved with or without tax abatement. Mr. Sabin asked for information relative to any other industries in the Industrial Park which may qualify for Act 198 consideration at this time.

Council took under consideration the proposed 1982-83 City Budget. Mr. Thompson questioned the reduction of millage and how it could be arrived at. Mr. Morford and Mr. Schreiner explained that the millage reduction was due to increased state equalized values, reductions in expense from last years budget in some areas, increased earnings on city investments due to high interest rates and good cash management and the fact that some of the city bonded debt was paid off thereby requiring less money for interest payments in 1982-83.

Moved by Latuszek, supported by Sabin that the following be adopted as the City of Grayling 1982-83 Fiscal Budget and that the City Manager be authorized to receive revenues and make expenditures and incur obligations on behalf of the City of Grayling in the following amounts and that the 1982-83 millage rate be set at 13.0 mills for operations and .25 mills for debt retirement.

| REVENUES | GENERAL FUND | EXPENSES |
|-----------------------|---------------------------------|---------------------|
| Revenue... \$837,800. | General Government | \$ 10,800. |
| Unapprop. | Administration | 197,300. |
| Surplus... 349,400. | Contingencies | 13,000. |
| | Cemetery | 27,800. |
| | Public Safety | 272,600. |
| | Other Uses | 126,900. |
| | Parks & Recreation | 7,100. |
| | Street Lights & Sidewalks | 22,000. |
| | Rubbish Disposal | 33,000. |
| | Capital Improvements | 476,700. |
| | TOTAL GENERAL FUND | \$1,187,200. |
| | GENERAL OBLIGATION BONDS | \$15,800. |
| | MVHF BONDS | \$12,200. |
| | EQUIPMENT FUND | \$127,800. |
| | MAJOR STREET FUND | \$92,400. |
| | LOCAL STREET FUND | \$429,900. |

Ayes: 5, Nays: 0, Absent: 0, motion carried.

b. A report on Mayor Exchange Day activities was presented. Those attending felt that the exchange was an informative activity. The City Manager presented expense vouchers for Mayor Thompson and Mayor Pro-tem Golinick for attendance of the Frankenthuth activity and for Mr. Golinick and Ms. Latuszek for attendance of the M.M.L. Region 8 meeting in Petoskey.

Motion by Sabin, supported by Sloan that the expense vouchers be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

New Business.

Mr. Schreiner reported that no bids were received for the 1970 Street Sweeper. Two bids were received on the 1978 Ford 4 Door.

Tom Latuszek \$320.00

Jerry W. Morford \$411.89

Motion by Sloan, supported by Sabin that the bid of \$411.89 from Mr. Morford be accepted and the car sold to Mr. Morford. Ayes: 4, Nays: 0, Abstain: 1, Latuszek, Absent: 0, motion carried.

The City Manager reported on progress of the 1982 Street Program. The engineers are in process of drawing plans & specifications and expect to advertise for bids about June 11, 1982 with a possible bid opening for July 7 and award of contract on July 12, 1982. Mr. Morford presented a proposed project which included Ingham Street from Peninsular to Maple Street, Fulton Street from Madsen to M-72, Mikado and Brink, Plumb between Mikado and Brink. Also the extension of Industrial Street from the D & M Railroad to the south 1/4 mile and AuSable Terrace. He also noted that there may not be enough money to do all of the above this year and that he recommended bidding with several segments as we did last year and deciding on the final work after bids are received. Mr. Golinick asked why not finish the block of Date which is between State and Lawndale? Mr. Morford noted the narrow width of Right-Of-Way on the block in question and will check with the engineers on a design and estimate. Ms. Latuszek asked about some of the cross streets in the downtown area. Mr. Morford will try to get further information from the engineers.

The special assessment for the water main extension in the Industrial Park Area was discussed. Mr. Morford asked Council for a determination as to the length of time for the special assessment. Mr. Thompson expressed the opinion that 3 years should be enough time. Mr. Morford is to try to negotiate as short a time as possible.

The City Manager reported on a meeting between City and Township Officials regarding Cemetery Policy. Some of the policy matters were pre-needs sales and the prices and transfer of lots between private parties. Mr. Morford is in the process of trying to develop a proposal which addresses all of the matters discussed. Mr. Golinick requested Council to rescind the ban on pre-needs sales for the present and that up to 4 lots per sale be permitted.

Motion by Golinick, supported by Sloan that Grayling and Grayling Township residents and/or taxpayers be permitted to purchase up to four (4) pre-needs graves, also any lots sold from the date of this resolution shall not be transferable to any other party except the City of Grayling and the City will buy the lots back for the same amount paid to the City when the lots were purchased. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Morford presented to Council a letter from Milltown Refuse requesting an increase in their 3 year contract of \$100.00 per month for the year 7-1-82 thru 6-30-83.

Motion by Latuszek, supported by Sabin that the proposal from Milltown Refuse be approved and incorporated into the 1982-83 Contract. Ayes: 3, Nays: 0, Abstain: 2, Golinick, Sloan, Absent: 0, motion carried.

Reports of Councilmen.

Ms. Latuszek asked about the filling of areas between the curb and the sidewalk. Mr. Morford stated that this is in progress but that seeding was not included. Mr. Sloan stated that he believed this was not included in the last contract.

Ms. Latuszek asked about maintenance of the I-75 Business Loop and whether the City could mow the median on the South side of town. Mr. Morford will contact the County Road Commission about this matter.

Mr. Golinick asked about the status of dust control. Mr. Schreiner is pursuing this matter and the work will be done as soon as proper permits can be obtained.

Mr. Golinick asked about Stop signs at Lake Street on Park

4-H Leader Dogs

On Saturday, May 22nd the Grayling Leader Dog 4-H Club along with the Kalkaska's Blind Faith 4-H Club put on a skit during the four county 4-H Fashion show in the Cherryland Mall in Traverse City.

In the skit entitled "A Day in the Life of a Leader Dog Puppy", the 4-H Clubs demonstrated how a Leader Dog must fit into everyday situations. Such topics as food and nutrition, play and exercise, grooming and social manners were discussed. The 4-H'ers explained how they prepare their puppies for the blind school in Rochester.

The Grayling club wore their new T-Shirts and used the new leads Pam Cowie and Nancy Hatfield, their leaders had made. The club members really appreciate the discounts they received from the R & H Sports Center on the T-shirts and from the Ben Franklin Family Center and McLean's ProMart for the materials used to make the new leads.

Pictured above left to right in the back: Gloria and Ben Hillard, Todd Peterson, Nancy Hatfield, Pam Cowie, Michael Harnois, Carlen Hatfield. In the front: Jeff Cowie, Kelly Hillard, Sue Harnois and Steve Cowie.

MILLTOWN TRADERS EXPAND—Milltown Traders, located at the intersection of M-72 West and Old Dam Road, has added two new services.

Besides dealing in used cars and new and used trailers, Milltown Traders now have a automotive service department and a real estate office.

The service department specializes in custom cleaning and a certified mechanic, Robert Smoke, is on duty. The real estate office offers many listings and recreational property - cabins and acreage. Bob White is the broker for Milltown Traders Realty.

Rick Harland, of Milltown Traders, said Milltown Traders continually have 25-30 nice, late-model cars, trucks, and vans on their lot to sell. He emphasized that they like to trade.

He said Milltown Traders have more used cars on their lot than any new-car dealer in a 50-mile radius.

"We want to provide good, affordable transportation that is guaranteed," Harland said.

Street, Elm Street, and Rose Street. Mr. Morford said that if we have the signs we will put them up right away.

Mr. Golinick asked about a missing 25 M.P.H. Speed sign on Michigan Avenue. It will be replaced as soon as possible.

Mr. Golinick asked about progress of renovation of the Police Department. We are waiting for plans from Mr. Wyman.

Mr. Sabin asked about identifying snow traffic patterns of children attending school. Mr. Morford has not had time to do anything on this to date.

Reports of City Manager. Mr. Morford reported on the following.

Office hours for Senator Levin's Aide.

Letter complimenting City Police and Officer Butzin.

Letter to Beaver Creek Township Supervisor, re: Fire Protection.

Letter from the State Highway Department re: Industrial Street.

Region 8-9 Meeting.

Sidewalk repair behind City Hall.

Motion by Sloan, supported by Golinick that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 10:25 p.m.

I will vote yes for the millage request of 16.9 mills for a three year period. I have three reasons why I will do so.

The first reason is to allow our superintendent and school board to focus more time on curriculum development and educational programs. In the past four year, the entire spring and summer is spent on millage elections. By voting yes, our school board and administrators can focus on education - not elections.

The second reason is to provide stability to our school district. With a three year millage request, our administrators and school board can do longer range planning. They will be able to depend on a certain amount of money and plan accordingly.

The third reason I will vote yes is to save money. Each election costs approximately \$3500. Think of the dollars we have spent in the past four years on millage elections! By voting yes for a three year millage, we will save many dollars that can be spent for our children's learning needs.

In closing, I know some people feel they will be "locked" in if they vote for a three year millage. Remember, the school board does not have to levy 16.9 mills each year of that three year period. If indeed our assessments do go up in that three year period, the school board can levy less mills as they did this May. A three year proposal makes sense to me. Vote yes June 14th.

Attn: Letter to the Editor

To: Citizens of Crawford Co.

We wish to take this opportunity to congratulate the citizens of Crawford County on the excellent ambulance service that was provided for our need on May 11, 1982.

We had a Board Member at Camp WaWaSum that needed emergency services on the above-mentioned date.

A phone call was made to your Sheriff's Department and Sgt. Paul Smith responded very expeditiously and courteously. He arrived prior to the ambulance and assisted until the ambulance crew of Tony Doremire, Jim Kraus and Raxann Adams arrived.

This ambulance crew did an excellent job of handling the emergency and transporting the patient to the hospital. The county Extension Agents Association wishes to thank the above-mentioned people for the short time in which it took them to respond and for the assistance that was given.

Our Association feels that the people of Crawford County have much to be proud of and thankful for.

Sincerely yours,

A. Rex Sletting

Dance Group Holds Party

The Senior Citizen dance group held a party after its regular Tuesday night session on the 25th, to honor Nick and Evelyn Shuraleff.

After dancing at the Center for 2 hours, the group went to the home of Lora Gould for refreshments and a beautifully decorated cake. 35 attended.

Evelyn and Nick have served as dance directors for 5 and one half years, and it is with deep regret that their many friends see them leave this leadership. A money tree was presented to the Shuraleff's, in appreciation for all they have done for this group.

Starting next Tuesday night, June 1st, Charlie Kirk will take over leadership of the dance group. Charlie held square dance classes in the past at the Center, and all are looking forward to his leadership.

LARGE-SCALE DEER FEEDING—During last winter, the Hook and Trigger Club of Lovells fed an estimated 1,000 deer in a ten-mile area. The club put out hay, corn, oats, sugar beets, carrots, potatoes, and scrap greens for the deer herd, and as this picture shows, the program was popular with the deer. The Hook and Trigger Club will hold its annual hot dog roast June 1 at 6 p.m. at the town hall in Lovells. Newcomers are welcome. (Photo by Abbott Walker)

Mr. Whitey Madsen

Grayling, Michigan 49738

Whitey:
For the years 1980, 1981 and 1982, the Boosters Club has generously contributed earned interest monies to college scholarship awards for deserving Crawford-AuSable High School graduates. This year twenty two (22) students have applied. The Scholarship Committee has examined each application carefully. Each applicant will also be interviewed prior to the selection of the 1982 scholarship awards. In 1980, seven (7) scholarships were awarded. In 1981, eight (8) scholarships were awarded. Successful applicants represent approximately 30/35% of the total applicants.

In order that the Booster Club Executive Board, interested school officials and others may be apprised of the results to date of this most worthwhile Booster Club program, we recently conducted a survey of previous Booster Club scholarship award winners. The survey was conducted via personal interviews, telephone interviews with students or parents and from written communications with the students. Results are as follows:

1980 Award Recipients

Todd Dunkley - entering 3rd year at University of Michigan.

Stephanie Fick - entering 3rd year at Central Michigan w/4.0 H.P.A.

Toni Trudgeon - entering 3rd year at Central Michigan w/3.4 H.P.A.

Scot Reynolds - entering 3rd year at University of Florida.

Lisa Weiss - entering 3rd year at Northern Michigan - 3.8 H.P.A. changing her major to Data Processing.

Mark Whaley - Michigan Tech - entering 3rd year - Engineering - 3.78 H.P.A.

Carol Farren-Kirtland College - will have earned Associate of Science certificate. Will enroll in new R.N. program at Kirtland.

1981 Award Recipients
Mark Whaley - see above

Melissa Meldrum - entering 2nd year University of Michigan w/3.75 H.P.A. will major in Chemical Engineering.

Susan Diedrich - entering 2nd year at University of Michigan w/3.3 H.P.A.

Holly Nunn - entering 2nd year at Eastern Michigan U. w/2.5 H.P.A.

Gary Pettyjohn - entering 2nd year at Michigan Tech. Major Computer Science.

Jay Schrader - entering 2nd year at Eastern Michigan University - moved from area.

Sheryl Wieland - Oakland University - entering 2nd year - major Physical Therapy.

Shawna Watters - entering 2nd year at Michigan Tech - fall of 1982.

As can be determined from this information, Booster Club scholarship recipients are faring extremely well in their varied college careers. The achievements of these students can more be appreciated when one compares the national college dropout average of approximately 50% of all students after their freshman year.

Additionally, a number of Booster Club scholarship applicants who did not receive an award have entered college and are also progressing well. In one instance, a young man has actually improved his honor point average from high school to college.

In summary, we are more convinced than ever that the Booster Club Scholarship program is one of the finest, most rewarding programs of the numerous services the Boosters Club performs for the youth of Crawford County.

Sincerely,
Garland (Bud) Joyce
Booster Club Scholarship
Chairman

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

Within the land of the Tall Timber, we are blessed with a hundred flowers or more. Not many parks can boast of having any wild orchids, but we have three species that find suitable habitat in which to grow. The earliest is the Stemless Lady Slipper, more commonly called the Moccasin Flower, which has two dark green leaves (3 by 8 inches) and normally a single flower at the top of a tall stalk or scape. The flower is conspicuous mostly because of its inflated lip, which is two inches or more long, pink or sometimes white, and marked with dark vein-like lines. The three sepals are greenish-purple, some two inches long, with the lateral ones united.

The Moccasin Flower favors sandy soil which is likely to be slightly acid. While the leaves can be found most of the year, the flower appears in late May and early June. This particular flower is protected by State law and its sap which will cause a poison ivy-like rash. There are several common names applied to this flower in different parts of its range, such as Noah's Ark, Squirrel's Shoes, Camel's Foot, Nerveroot, Old Goose, Indian Moccasin, and Two Lips. This is the reason why botanists like to use the Latin name "Cypripedium acaule."

Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 3rd day of October, 1978, by Monte G. Malonen and Jonni L. Malonen, as mortgagors, to the United States of America, as mortgagee, and recorded on October 4, 1978, in the office of the Register of Deeds for Crawford County, Michigan in Liber 172 of mortgages on pages 534-537; on which mortgage there is claimed to be due and unpaid at the date of this Notice Twenty Five Thousand Five Hundred Seventy Three and 42/100 dollars (\$25,573.42) principal and One Thousand Eight Hundred Forty Four and 14/100 dollars (\$1,844.14) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, Notice is Hereby Given that on July 7, 1982, at 10 o'clock in the forenoon, at the Front Steps (East Side) of the Court-house in Grayling, Michigan, that being the place for holding the Circuit Court for the County of Crawford, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in Crawford County, in the State of Michigan. SAND FROM SMOKEY MTS.—In Mr. Hayes' third and fourth grade split class Mr. Hayes brought in some special sand from North Carolina, south of the Smokey Mountains in the Appalachian Range. In the sand the children are going to try to find garnet, rhinitite, ruby, sapphire, rhodolite, quartz, and leaverite which stands for leave her right there. The reason this rock has that saying is because the rock is worth nothing. In the picture, from left to right are: Teresa Ferguson, Ken Guira, Lisa Barber, Ted Johnston, and Toye Sheldon. By Debbie Jones, Betty Partello and Dusty Smith, 5th grade.

FIRE PROTECTION—Mr. Smith, who helps with fire protection in the Grayling area, came to the Grayling Elementary School May 8, 1982. He said that Grayling has a bad fire hazard. We saw a red forest fire fighting truck and a yellow truck. The red truck had a sprayer on top of the cab. The yellow truck had a plow on it for digging furrows. The trucks were for fighting fire in the wooded area. By Lana Hagon and Todd Howe, 4th grade.

Road Commission Minutes

March 26, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioner Norman F. Parker, Engineer-Manager John M. Keir, and Acting-Secretary Joanne Turner. Absent: Commissioner Kraus.

The minutes of the previous meeting of March 12, 1982 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Chairman Cason. All voted in favor, minutes approved.

Payroll Voucher Number 6 in the amount of \$20,581.31 and Materials Vouchers Number 161 through 163 and 165 through 171 in the amount of \$23,223.83 were presented to the Board for payment. Commissioner Parker made a motion to accept the vouchers for payment, seconded by Chairman Cason. All voted in favor, vouchers signed.

At this time, discussion was held regarding the Grader Blade Bids. The Board awarded the Bid to Paper, Calmenson Company in the best interest of Crawford County.

Due to the fact the next regular meeting is scheduled to be held April 9, 1982, an employee holiday, the Board decided to change the date of the meeting to April 8, 1982. Notice will be posted for the public.

Engineer-Manager Keir informed the Board of a letter received from the Department of Natural Resources, Supervisor of Wells, regarding produced brine from oil and gas fields containing hydrogen sulfide.

There being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

Mask of the Soul

The face is the mask of the soul. It can convey a peace we do not feel, a strength we do not possess, a courage we hope for but haven't gained. With apparent concern for the dignity and privacy of the individual God permits us to shield our inner self from the prodding eyes of others.

But a calm face doesn't still the soul's turmoil or satisfy its need. Spiritual peace, spiritual nourishment must come from God.

The millions who come to church each week to worship do not look any different from their neighbors. But they are seeking earnestly to fill an emptiness which we all feel, yet hide from one another.

Why not be one of them... one of us who worship regularly each week?

Spring is finally here to stay and winter is gone for a few months hopefully. The 4-H'ers are busy with their projects to be judged on Achievement Day. Some clubs will not be meeting this summer and other clubs will be starting back up.

The Horse Club, the CC Hoofbeats have had a busy spring getting the horse arena built out at the fairgrounds in time for their Horse Clinic. The arena is up and the Horse Clinic a success.

The final details on Exploration Days are being finished for the bus and chaperones. A big thank you to Joann Yoder and Bob Gingerich for going as chaperones with out them the 4-H'ers would not be able to go. Have lots of fun!

Campers attending 4-H Camp don't forget to return your Health Record to the Office by June 7th. Parents remember the health form has to be notarized if there is a problem call the 4-H Office.

The Small Farm Animals Club is busy with their animals at meetings learning how to groom them for show for the summer fairs coming up. They have four new members - Steve Gross, John Maher, Joel and Sam Mack. Welcome to 4-H boys!

The Leader Dog Club took part in a skit at intermission time of the 4-H Fashion Show at the Cherryland Mall this last week. They put the skit on with the Kalkaska club a "A Day in the Life of a Leader Dog Puppy."

The Kitchen Magicians have been learning from slides at their meetings. Mr. and Mrs. Nevins attend a foods show and brought back

lots of good information for the club. Missy had lots to show the girls too!

The Performing Arts Club is now meeting on Wednesdays is getting ready to march in the parades coming up.

The Needlecraft Club has been learning how to make padded frames to display their needlework projects in for Achievement Day.

I hear that Pat Sloan's Arts and Crafts Club is busy making things every week to take home. Their table at Achievement Day will be really full. Nice going kids!

Marriage Announced

Paul Mauren and Jeanni Flanigan both of Albany, New York, were married Saturday, May 22, 1982, at the home of her sister, Mr. and Mrs. Arthur Hodgson in Clarkston, Michigan. The ceremony took place at 4:30 in the afternoon followed by a reception at the home. Judge Bair officiated at the marriage.

Attending from Grayling were Paul's parents, Mr. and Mrs. Arnie Mauren, his sister and family, Jack and Pam Hull, Tracy and Todd, John and Barbara Hunter, Pat and Debbie Callahan, and Fred Reichelderfer.

Beaver Creek Notice

The special election for Beaver Creek Fire protection scheduled for June 7, 1982 has been postponed to a later date.

Arrow of Light Ceremonies

Grayling Cub Scout Pack 3993 held their annual Arrow of Light ceremony May 11 at the City Park Bridge in Grayling. This is the important event in a Cub Scouts Life when he goes from a boy into a young man as he leaves cub scouts and enters the boy scouts.

Webelos den leader Jack Clark presented each scout with his final activity badges to conclude their Webelos year.

Committee Chairman, Mike Hettinger, presented each boy with an arrow as they saluted and crossed the bridge to join the boy scouts.

The boy scouts led by Loren Goodale were waiting at the top of the bridge.

Congratulations to (pictured above from left to right) Todd VanDeVen, Jason Clark, Ray Hill, Jim Pfaff and Chad SanCartier, (back row l-r) Cub Master, Joe Mack; Assistant Cub Master, Don Gross and Webelos Leader, Jack Clark.

Plan Vegetable Garden With Food Preservation In Mind

By Gail Edwards
Ext. Home Ec.

There's more to home gardening than simply planting the crops.

When planning what you'll plant in your vegetable garden, think about how you'll preserve the harvest for year-round enjoyment.

Some vegetables are best canned, others are best frozen and some are good either way.

Tomatoes and beets-plain or pickled - make especially good canned products. Asparagus, snap beans, lima beans, peas, carrots, corn, spinach, and summer and winter squash may be successfully canned or frozen.

Edible-podded peas, such as snow peas and Sugar Snap peas, should be frozen. Canning them would destroy the crispness for which they are prized.

Broccoli, Brussels, sprouts, cauliflower, cabbage, rutabagas and turnips usually discolor and develop a strong flavor when canned. This is why none of them are canned commercially to any great extent.

Cabbage may be frozen or fermented into sauerkraut and then canned. Cabbage harvested late in the season, when the weather has turned cool, may be stored, without processing in a root cellar.

Root cellar storage is also a good way to preserve potatoes, carrots, onions and winter squash.

Pickling is the only way to preserve pickling cucumbers.

Because there's no good way to preserve salad vegetable like lettuce, radishes, green onions and slicing cucumbers, enjoy them while they're in season.

For reliable, up-to-date instructions on canning, freezing and root cellar storage, contact Gail Edwards, Extension Home Economist at 275-5043 Roscommon/Crawford or 826-3280 in Mio.
